Insight Dubai Conference - 2013

Dubai Women's College hosts an annual conference, Insight Dubai, which is a unique event uniting 60 female students from universities and colleges around the world with 60 students from Dubai Women's College every year to spend an exciting, interactive 5-days conference discussing issues on women's empowerment and women's roles in governance and leadership. This conference is exceptional as it enables each participant to take an active role in simulations, debates, role plays and discussions to share their views and learn from one another.

We would like to promote Insight Dubai Conference 2013 to undergraduate female students from any part of the world to help us succeed the coming conference. For more information on the conference and the registration form, please access the website <http://dwc.hct.ac.ae/insight-dubai/>
