

St. Joseph's College for Women

Notice

Message from the Principal:

Today we thank God for the gift of our country and remember with gratitude to all those who have struggled to bring it into being.

A day like this calls for reflection. Do we really appreciate this gift and do we express our appreciation? Can we really call ourselves Pakistanis?

If so do we follow the guidelines that our dear founder left for us “Unity, Faith and Discipline”? Not following these guidelines we renounce our citizenship in deeds, maybe not in words. God forbid that anyone point a finger to us.

Therefore let us lift each other by sharing our goods in kind, so that **united**, we have hope for a better Pakistan.

Let us strengthen our **Faith** by praying for one another.

Let us live by **Discipline**, by keeping our country clean and our environment safe.

If we follow these three pillars, we can all shout together

“PAKISTAN ZINDABAD”

Sr. Julie Pacheco
Principal
